

ARCpoint Labs of Hebron Under New Ownership, Expands Access to Comprehensive Testing and Wellness Solutions

ARCpoint Labs of Hebron, TX has new ownership under Mark Miller. They offer over 10,000 tests to help you make informed health decisions.

HEBRON, TEXAS, UNITED STATES, April 15, 2024 /EINPresswire.com/ -- [ARCpoint Labs of Hebron, TX](#), a leading provider of comprehensive testing and wellness solutions, is pleased to announce new ownership under Mark Miller. Committed to empowering individuals, businesses, and communities with the information needed to make informed decisions about their health and future, ARCpoint Labs offers over 10,000 clinical tests and wellness options.

Under Mark Miller's leadership, ARCpoint Labs of Hebron will continue to deliver a wide range of essential services, including:

DNA Testing: Providing various DNA testing solutions, including paternity testing, ancestry testing, immigration DNA testing, and non-invasive prenatal testing, to give individuals the information they need about their heritage and family health.

Drug Testing: Offering a menu of drug testing options (hair, saliva, urine, nail) to meet the needs of employers, individuals seeking pre-employment screening, or those in court-ordered programs.

[Employment Background Checks:](#) Providing a comprehensive background check service to empower businesses to make informed hiring decisions.

Prenatal and Sneak Peek Early Gender DNA Testing: Offering traditional prenatal testing options

Our community deserves convenient access to high-quality testing solutions, and I am committed to expanding our offerings to include the latest advancements in health and wellness testing. ”

Mark Miller

and innovative solutions like Sneak Peek Early Gender DNA testing to give families valuable information throughout pregnancy.

Infidelity and Parentage Testing: Providing confidential testing services for individuals seeking clarity about relationships.

Blood Draws and Blood Tests: Offering a variety of blood tests for a wide range of health concerns, with on-site blood draws performed by qualified technicians.

ARCpoint Labs of Hebron goes beyond simply offering

tests. Their team is dedicated to providing guidance and support throughout the testing process, ensuring clients understand their options and receive clear and timely results.
