communication network to stream multimedia content curated by backend system based on big data and AI analytics to provide relevant and entertaining contents to passengers during their journey in the elevator.

FBHI is the leading STO and Real World Assets("RWA") listing sponsor and advisor to over 10 STOs over the past 3 years with clients in US, Australia, Hong Kong, Singapore, Malaysia and more. "This is an incredibly meaningful project with the development of a coordinated nationwide service platform to provide emergency assistance to passengers stranded in elevator and it will significantly improve elevators safety. The business model and revenue potential are phenomenal, we are truly excited to work with the Cloud Media team on this amazing journey." Comment from Thomas Yip, director of FBHI.

#### About Cloud Elevator DigiMedia (Guangdong) Company Limited

Cloud Media is incorporated in Guangzhou and has exclusive content distribution partnership with 95009 China National Elevator Emergency Service Platform ("CNEESP") which is the chosen pilot project in Guangdong endorsed by China State Administration for Market Regulation in 2021. Cloud Media is an affiliate of the CNEESP group of companies and has developed its own cloud content distribution system, with real time advertising content management and analytics.
