

Maine Mesothelioma Victims Center Appeals to the Family of a Former Welder with Mesothelioma in Maine to Call Attorney Joe Belluck of Belluck & Fox About Compensation- And the Steps Needed to Ensure the Best Results

PORTLAND , MAINE , USA, May 15, 2024 /EINPresswire.com/ -- According to the Maine Mesothelioma Victims Center, "If your husband or dad is a current or former welder with just diagnosed mesothelioma anywhere in Maine, please call attorney Joe Belluck of Belluck & Fox at 866-714-6466 for a no obligation conversation about financial compensation. We consider Joe Belluck to be Maine's most capable mesothelioma attorney, as well as one of the nation's top mesothelioma attorneys and he and his team at Belluck & Fox have been assisting welders with mesothelioma for decades.

"Maine has the nation's highest rate of mesothelioma and welders would be one of the top work groups that will develop this rare cancer caused by asbestos exposure. Before the mid-1980s a welder's day of exposure to asbestos would have started when they put on the apron-vest, gloves and helmet because all of this gear probably contained asbestos. A welder at Portsmouth Navy Yard in Maine would have had off the chart's exposure to asbestos prior to the mid-1980s.
