### From Fashion Runways to Beauty Entrepreneurship

Lucia's journey into the beauty industry began at the tender age of 15, when

her modeling career took her from the bustling streets of the U.S. to the historic alleys of Italy and beyond. This global exposure not only broadened her horizons but also set the stage for her greatest act yet—opening her own beauty salon, BROWLUSH. Her inspiration came from the countless professionals, makeup artists, brands, and creatives she met along the way, all showcasing the transformative power of beauty.

"What makes BROWLUSH stand out isn't just our commitment to excellence, but the boutique experience we offer each client. No one is rushed. Everyone gets a thorough consultation from our team of expert aestheticians, ensuring personalized care. And yes, we're meticulous about the products we use—only the safest, highest quality items make it through our doors," explains Lucia.
