The Asia-Pacific Stevie® Awards, an international business awards competition, are open to organizations across 29 markets in the region. Its primary focus is to acknowledge and celebrate innovation in all its forms. Winning this award underscores Kelly & Co's dedication to providing top-tier, innovative products that enhance the lives of pets and their owners.

Kelly & Co's freeze-dried technology stands out for its ability to preserve the nutritional integrity and flavor of pet food, offering a superior alternative to traditional methods. By eliminating the need for artificial preservatives and retaining the raw nutrients, Kelly & Co's ensures that pets receive high-quality, natural nutrition.

"We are thrilled to receive this recognition from the Asia-Pacific Stevie® Awards," said Mr. Wichitpon Assavachamnan, the CEO of Kelly & Co's (on the left). "Our team has worked tirelessly to develop and perfect our freeze-dried technology, and this award validates our efforts and commitment to innovation. We believe that our products not only meet but exceed the expectations of pet owners who want the best for their furry companions."

This accolade is expected to further strengthen Kelly & Co's position in the market, as the company continues to lead the way in pet nutrition innovation. As consumers increasingly seek natural and high-quality options for their pets, Kelly & Co's award-winning products are poised to meet this growing demand.
