

# SPEKTRA, the Next Generation ETG, Receives GLI Compliance

*SPEKTRA represents the future of electronic table games. With 101 ways to win and the largest non-progressive payout in the industry at 40,000-1*

LAS VEGAS, NV, UNITED STATES,  
September 11, 2024 /

EINPresswire.com/ -- [Spektra](#) Gaming, LLC proudly announces that the innovative electronic table game SPEKTRA is [GLI](#) compliant. This marks an important milestone for Spektra Gaming, ensuring that SPEKTRA meets the industry's stringent regulatory standards.

GLI is a globally recognized authority in gaming testing and certification. It is known for its rigorous evaluation processes, ensuring gaming products comply with regulatory requirements and industry standards. With GLI approval, Spektra Gaming is committed to delivering customers a reliable, secure, and dynamic gaming experience.

SPEKTRA combines color elements with traditional dice in a unique ETG format. The 36 possible outcomes are brightly displayed on the innovative virtual dice tower. Designed for versatility and ease of play, SPEKTRA promises to enhance the gaming floor with a communal excitement and energy usually reserved for craps and roulette.

"We are thrilled that SPEKTRA is GLI Compliant," said Joshua Green, COO of Spektra Gaming. "We believe SPEKTRA represents the future of electronic table games. With 101 ways to win and the largest non-progressive payout in the industry at 40,000-1, SPEKTRA will be the new standard in gaming excitement."

[Spektra Gaming, LLC](#) sincerely thanks the GLI team for thoroughly evaluating SPEKTRA. Interested parties are encouraged to visit the official website at (<https://spektragame.com/>) for more information about SPEKTRA and its capabilities.
