About DigiFest® Temecula

DigiFest® Temecula is an annual three-day Digital Media Festival and Competition that celebrates multimedia's unique power to bring together several media forms that share original stories, diverse perspectives, and rich emotional journeys through collaborating digital mediums. DigiFest® was created in 2017 to fill the void left by the absence of the Temecula Valley International Film Festival. The event guarantees a weekend of entertainment, screenings, exhibits, awards, engaging presentations, and hands-on workshops led by industry professionals.

About the Host, JDS Creative Academy
