The Appliance Repair Professionals @ Property Meld's MX Summit

“

The Appliance Repair Professionals have mastered appliance repair in the property management industry and that's what you want when managing properties!!”

Mr. Wonderful

Specializing in comprehensive appliance repair services, The Appliance Repair Professionals cater to a broad range of clientele, including some of the largest property management companies, home warranty providers, and property rental firms across the country. In addition to serving commercial clients, they also provide high-quality repair solutions for residential homes, ensuring that homeowners receive the same level of expertise and reliability that has earned them a sterling reputation.

Adding to their success, The Appliance Repair

Professionals are now part of Property Meld's Vendor Nexus program. Property Meld, a leading

property management software platform, launched this initiative to address the ongoing challenges property managers face when sourcing reliable vendors that specifically meet the unique needs of their organizations.

"The new program, one of the first of its kind in the industry, is expected to be a long-term project aimed at addressing the challenges and frustrations property managers face when sourcing great vendors that specifically meet the needs of their organization," said Ray Hespen, CEO and Co-founder of Property Meld. The Appliance Repair Professionals have been selected as a partner in this initiative, joining other leading vendors such as Task Easy by WorkWave, Lula, Blue Chip Maintenance, DRC Maintenance, and ZVN Properties Inc.

The Appliance Repair Professionals have set a new standard for customer service in the industry, being the only [appliance repair company](#) to offer live phone support 7 days a week from 6:00 a.m. EST through 1:00 a.m. EST. This unmatched availability ensures that customers and property managers can always reach a live representative, providing an unparalleled level of support and convenience.

As part of their commitment to customer satisfaction, the company offers [same day appliance repair](#) and [emergency appliance repair](#), giving clients access to immediate solutions for unexpected breakdowns, minimizing downtime and inconvenience.
