

# Sunergy Systems is a Best in The PNW Winner

*Washington State's Most Trusted Solar Company*

SEATTLE, WA, UNITED STATES, October 21, 2024 /EINPresswire.com/ -- Sunergy Systems, an employee-owned residential solar and battery Best in PNW 2024 installation company, has received the [Gold Award for Best Solar Energy Provider](#) from the Seattle Times in their Best in the Pacific Northwest (PNW) - People's Choice Awards. The Best in the PNW awards are organized by The Seattle Times and voted on by the public annually. Sunergy Systems has installed over 2,500 solar power systems in Washington, contributing 20 megawatts of clean energy. The company won the top prize in the Solar Energy Provider division. The community they serve supports and appreciates the quality of work they do to make a difference for the environment.
