About Evelyn -

Evelyn is an accomplished songwriter, vocalist, sax player and actress born in Mexico City who began breaking down musical and gender barriers at an early age. Her determination combined with multiple talents led her from the barrio to both American and European audiences. Today

Evelyn resides in Houston Texas and performs on stages both domestically and internationally. It was the late great blues band leader Calvin Owens that wanted to release a blues album in Spanish and chose Evelyn to both sing and play sax on the release. The album would open the door and further reduce barriers due to gender, nationality and language. "Perfect" delivers a marvelous multi genre presence that once again reinforces the emergence of women in music.
