

# Aloraircrawlspace Announces the Launch of Two Dust Collectors on December 17

*Customers can get up to 20% off sitewide between December 10 to December 28.*

CHINO, CA, UNITED STATES, December 13, 2024 /EINPresswire.com/ -- Keeping up with the holiday spirit, Aloraircrawlspace has finally announced the launch dates for its highly anticipated dust collectors: the PURECARE 780 and the PURECARE 780IG, set for release on December 17th, along with a site-wide discount of up to 20% for the Christmas period from December 10th to December 28th.

William, an Aloraircrawlspace spokesperson, stated, "We are thrilled to celebrate the holidays by providing our customers with premium products at a price they will love." "As part of our mission to make every home healthier and more comfortable this festive season, we are launching new products and offering Christmas discounts."

## Unveiling Innovation This Christmas

With the launch of AlorAir, Aloraircrawlspace has once again shown its commitment to providing innovative and reliable solutions tailored to the needs of modern homeowners.

Shoppers can take advantage of these limited-time discounts by visiting [aloraircrawlspace.com](https://aloraircrawlspace.com). The sale features site-wide deals on industry-leading crawl space dehumidifiers and includes the latest products designed for protection. It can achieve the treatment of particles, dust, and sawdust, eliminate odors, and effectively improve air purification.

Both residential and commercial customers now have the ideal opportunity to enhance their areas with high-quality crawl space solutions and dehumidifiers at incredible costs, thanks to this seasonal promotion.

"Our mission is to solve market access problems with innovative thinking," William added. "This

holiday season, we're giving back to our customers by delivering outstanding quality and value."

The company already boasts of 150k satisfied customers, a 98% client satisfaction rate, 250+ business partners, 72% of market share, 58 items with a US Patent, 42 items with a European patent, and 24 with an Australian patent - a number that is constantly growing with each passing year.
