

Talentuch Hosted an HR Webinar with Jon Wolheim on How to Build an Effective Recruitment Team

An international recruitment agency shared expert tips and strategies for building a recruitment department from scratch on a budget.

CHICAGO, IL, UNITED STATES, December 14, 2024 /EINPresswire.com/ -- [Talentuch](#), a talent acquisition agency and a renowned player in international IT recruitment, recently conducted an informative HR webinar, featuring Jon Wolheim – an esteemed speaker in the spheres of business, HR, and technology.

This insightful session on “How to Build a Recruitment Team from Scratch on a Budget” is a part of the Talentuch HR webinar series, specifically designed to inform HR business partners, HR executives, and business owners and provide them with actionable strategies to create and manage a high-performing recruitment department.

Moreover, to ensure the webinar guests received maximum useful information, Talentuch randomly selected one lucky attendee to receive a special gift – a book “First, Break All the Rules” by Don Clifton.

Addressing the Challenges of Recruitment Team with a Free HR Webinar

Building a recruitment team that consistently delivers results is no small feat. Companies have to ensure they not only hire the right people, but also have created the right team structure, use the most appropriate tools, and retain and develop the team while meeting KPIs and ensuring ROI.

Talentuch webinar HR offered a roadmap for HR leaders, business owners, and recruitment managers to handle all the challenges of building a recruitment team from scratch on the spot.

Jon Wolheim, a certified Senior Professional in Human Resources (SPHR) and an MBA graduate from the University of Southern California - Marshall School of Business, shared his expertise on every aspect of recruitment team building – from building the right structure to choosing the tools – ensuring that HR webinar attendees left with practical knowledge on how to improve their hiring strategies.

Key HR Webinar Topics That We Covered

- Structuring Your Recruitment Team: Tips on how to effectively organize recruiters, managers, and sourcers to meet organizational goals.
- Scaling for Hiring Volumes: Determining the optimal team size based on current and projected recruitment needs.
- Choosing the Right Tools: Identifying the best ATS and other required recruitment tools that will help to enhance efficiency.
- Defining Metrics and KPIs: Setting the right goals for each team member to track performance and ensure full alignment with business strategy.
- Leadership Strategies: Managing and motivating recruitment teams to turn hiring into a competitive advantage.
