

BizCloud Experts Expands AWS SDP Recognitions with CloudFront and AWS RDS Specializations

BizCloud Experts remains dedicated to empowering businesses with secure, efficient, and scalable serverless smart cloud solutions.

LEWISVILLE, TX, UNITED STATES, February 3, 2025 /EINPresswire.com/ -- [BizCloud Experts](https://www.bizcloudexperts.com/), a leading cloud solutions provider, proudly announces its latest achievement in the AWS Service Delivery Program (SDP), gaining new recognitions for Amazon CloudFront and AWS Relational Database Service (RDS). These designations reinforce BizCloud Experts' deep technical expertise and proven success in deploying AWS solutions that drive business transformation.

Press Release

“

Our continued expansion in AWS specializations ensures that our clients benefit from cutting-edge technology and best-in-class expertise.”

*Nagesh Kunamneni, President
and CSO*

The AWS Service Delivery Program recognizes AWS Partners who have demonstrated extensive knowledge, experience, and best practices in delivering AWS services to customers. With these new specializations, BizCloud Experts strengthens its capabilities in content delivery and database modernization, ensuring clients receive optimized, scalable, and secure cloud solutions tailored to their needs.

With these recognitions, BizCloud Experts is now recognized for 11 AWS Service Delivery Program (SDP) specializations and is further differentiated in providing Serverless Solutions with a focus on Security, Resilience, Data, and Distribution.

Amazon CloudFront Specialization BizCloud Experts' recognition in Amazon CloudFront signifies its ability to help customers accelerate content delivery securely, improving website and

application performance with AWS's global CDN solution. This expertise enables organizations to enhance user experiences while maintaining high availability and security.

AWS RDS Specialization With the AWS RDS specialization, BizCloud Experts continues to lead in database modernization, providing scalable, cost-effective, and fully managed relational database solutions. This designation showcases the company's ability to assist customers in migrating, optimizing, and managing databases on AWS with minimal downtime and improved performance.

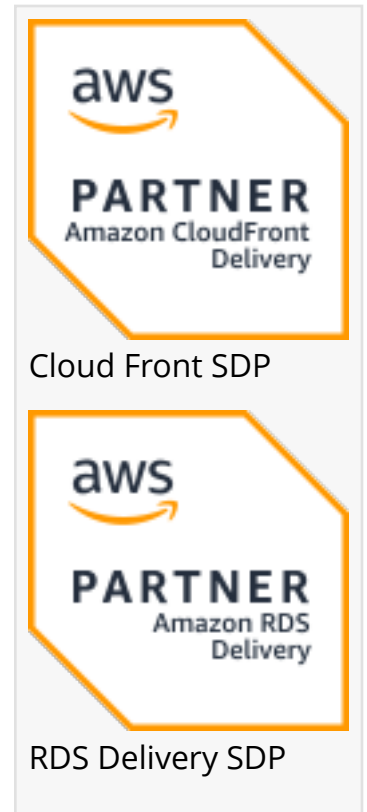

"This achievement underscores our commitment to delivering world-class cloud solutions," said [Nagesh Kunamneni](#), President & CSO of BizCloud Experts. "Our continued expansion in AWS specializations ensures that our clients benefit from cutting-edge technology and best-in-class expertise."

BizCloud Experts remains dedicated to empowering businesses with secure, efficient, and scalable cloud solutions. As an [AWS Advanced Consulting Partner](#), the company continues to help organizations drive innovation, optimize workloads, and enhance cloud operations.
