Ltd., the leading web-based booking platform for coach, bus, and chauffeur services, today announced the acquisition of Don't Travel Empty Ltd. ([DTE](#)), a renowned coach operators members club. This strategic move brings together two industry powerhouses, promising an exciting future filled with enhanced services and unparalleled opportunities for both the eCoach Manager and DTE communities.

DTE has long been recognised for its commitment to supporting coach operators with its comprehensive suite of services, including a simple-to-use booking platform, an innovative empty leg matching system, an integrated VMS system, and a reliable passenger emergency recovery solution. By joining forces with eCoach Manager, DTE's valued members will now gain access to an even broader range of benefits and resources.

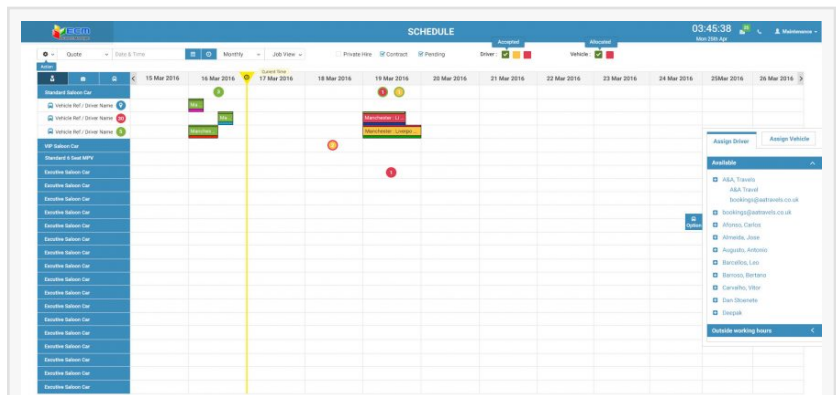

"This acquisition marks a significant milestone in eCoach Manager's journey," says Mark Bond CEO of eCoach Manager. "We are thrilled to welcome DTE and its members to the eCoach Manager family. DTE has built an exceptional reputation within the industry, and we are committed to not only upholding that legacy but to amplifying it through our combined expertise and resources."

This acquisition promises a new era of innovation and growth for both companies and what we

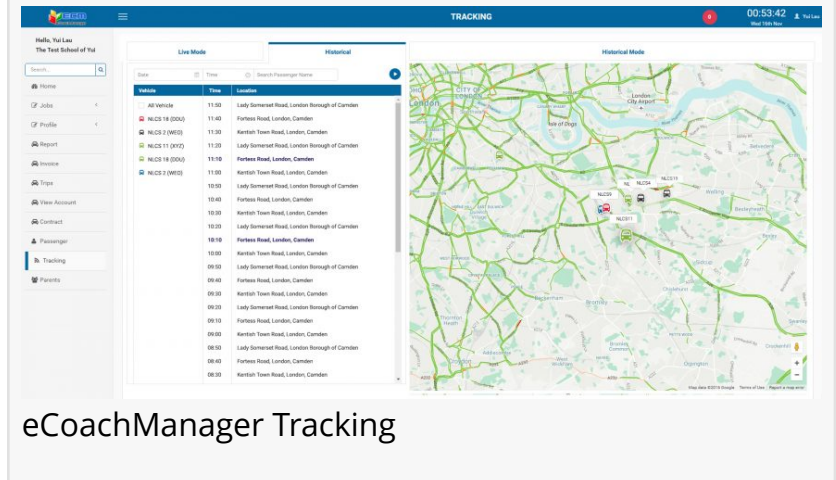

"We are incredibly excited about the possibilities this acquisition unlocks," adds Mark Bond CEO of eCoach Manager. "Together, we will empower coach operators with the tools and support they need to thrive in an increasingly dynamic market. This is a win-win for everyone involved."
