

# The Good Feet Store Opens in Doral to Help Local Residents and Workforce Live the Life They Love

*The Leading Retailer of Premium,  
Personally-Fitted Arch Supports Expanded  
with the Second Store in the Miami-Fort  
Lauderdale Area*

DORAL, FL, UNITED STATES, April 17, 2025 /EINPresswire.com/ -- [The Good Feet Store](#), recognized nationally as the market-leading manufacturer and retailer of premium, personally-fitted arch supports, opened their latest location in Doral on April 17. The new store will be the brand's second location in the Miami-Fort Lauderdale area.

“The demand for arch support solutions has never been stronger and the Miami market is a great illustration of that. We’re thrilled to have had the opportunity last year to open the first Good Feet Store in the Miami-Fort Lauderdale area and quickly follow it up with two additional stores in the same market,” said Kim and Rick Sciacca, CEO and President of Feet First Partners, respectively. “The newest store increases job opportunities in our community and allows us to continue helping our customers live the life they love, free of knee, hip, and back pain.”

and President of Feet First  
Partners*

Situated at 7901 NW 36th #118, the new store joins nearly 300 locations open now nationwide and is part of a strategic growth initiative that stands to add approximately

40 more locations in 2025. The Good Feet Store opened approximately 40 locations in 2024 as well. As with all of the brand's stores, the Doral location will offer customers a no-obligation, free, personalized in-store fitting with a trained Good Feet Arch Support Specialist.

For more than 30 years, The Good Feet Store has been an innovator in foot health and wellness — and it starts with Good Feet Arch Supports. Consisting of three types of arch supports, the Good Feet Arch Supports System works in concert to provide better pain relief, performance, balance and comfort. By focusing on all four arches in the foot, the supports are designed to keep the foot in the ideal position for the body, which helps to eliminate the pain felt in the feet, knees, hips and back.

“Everything is connected,” said Dr. Pamela Mehta, a board-certified orthopedic surgeon and Chief Medical Officer of The Good Feet Store. “Oftentimes people with low back pain, knee pain, or hip pain don’t even recognize that it’s actually coming from the poor support they have in their feet. The Good Feet 3-Step Arch Support System is clinically proven to provide significant pain relief in only 4 weeks\*, as found in an academic study conducted with Dr. Adam Landsman from Harvard Medical School and Massachusetts General Hospital.”

The Good Feet Store in Doral will be well-suited to serve customers of all ages and interests. Beyond common lower body and back pains, the arch support system fosters wellness for professionals commonly on their feet, active adults and student-athletes.

“We’re pleased to announce the second store in the Miami-Fort Lauderdale area with the team at Feet First Partners. Kim and Rick’s commitment to exceptional customer service, deep understanding of our brand, and knowledge of the impact our products can have on community members’ lives make them the ideal franchise partners to grow our presence in Florida,” said Richard Moore, President and CEO of Modern Performance + Recovery Brands, the holding company of The Good Feet Store.
