

Serial Entrepreneur Nili Goldberg Launches Transformative Business Book: Your Core-4

A framework for founders and leaders to align, decide, and scale—faster.

MIAMI, FL, UNITED STATES, April 17, 2025 /EINPresswire.com/ -- Entrepreneur, educator, and marketing innovator Nili Goldberg announces the official launch of her powerful new business guide, *Your Core-4: The ultimate framework for unleashing business success through vision, values, mission and promise*. Drawing attention from startup circles and executive teams, the book offers an experiential path for decision-fatigued leaders to cut through the noise and move forward—fast.

After 15 years pioneering the social media influencer space and mentoring startups across the globe, Goldberg sat by the beach to distill her operational playbook. The result: a practical yet inspiring framework that helps founders and leadership teams realign with their vision, core values, mission, and promise—the four pillars that make up the “Core-4.”

“Every business gets stuck,” says Goldberg. “Your Core-4 is what gets you unstuck. It’s the GPS for your brand, your message, your team, and your momentum.”

Blending sharp insights with stories from tech giants like Netflix, Airbnb, Amazon, and SimilarWeb, *Your Core-4* shows how aligned leadership decisions—rooted in authentic values—can lead to real traction, scaling, and even IPOs.
