“The overwhelming success of my first book was a wonderful surprise,” said Levy. “I'm thrilled to now offer an updated version for great-grandmothers. With more than 20 million great-grandmothers in the U.S., this is a timeless way for them to be remembered and to create a lasting family legacy.”

*Great-Grandmother Remembers* is a guided memory book filled with prompts to help capture treasured family traditions, life milestones, recipes, and stories. Sections include Our Family Tree, My Childhood, My Wedding Day, Your Parent Was Born, Holiday Traditions, Family Recipes, and more. With space for handwritten notes, reflections, and photos, the book becomes a deeply personal heirloom to be passed down through the generations.

The book follows a natural progression through a grandmother's life—from her ancestry and
