

# Rising Star Jessica Carter Altman Unveils Newest Single 'Mirror Mirror'

NEW YORK, NY, UNITED STATES, April 25, 2025 /EINPresswire.com/ -- Rising star and multifaceted artist, [Jessica Carter Altman](#), released her highly anticipated new single, "Mirror Mirror," on April 25th, 2025, via Symphonic. Available across all streaming platforms, this captivating track—written by Altman, Latifah Alattas, and producer Jason Lehning—marks her first release of the year. The song takes a deep dive into the complexities of self-image and explores the universal struggles with self-acceptance, offering listeners a raw and introspective reflection on the challenges we all face.

"Mirror Mirror" explores the internal battle many face in the modern world, hiding from the truth, where the allure of external validation—whether through social media, relationships, or even self-deception—often creates an illusion of perfection. The song touches on the human desire to hide from the truth and the seductive comfort of these distorted reflections.

"I wanted to capture the universal experience of insecurity, the way we curate our self-image, and the lengths we go to avoid confronting our deepest vulnerabilities. Like a siren whispering lies, the mirror seduces with illusions and creates a reality where beauty blinds. 'Mirror Mirror' explores concepts of identity and the intoxicating pull of a perfect reflection that doesn't exist," says Jessica Carter Altman.

With her soulful voice and thought-provoking lyrics, Jessica Carter Altman continues to carve out her space in the music world. "Mirror Mirror" is a powerful exploration of identity, self-perception, and the haunting desire to be seen in a way that others will admire, making it a
