

# Bits In Glass Honored with Global Innovation Award at Appian World 2025

*Bits In Glass Recognized for Excellence in Reinsurance Underwriting & AI Innovations.*

EDMONTON, AB, CANADA, April 30, 2025 /EINPresswire.com/ -- [Bits In Glass \(BIG\)](#), a global boutique consulting firm specializing in intelligent automation, proudly announces it has been recognized with a prestigious Global Innovation Award at Appian World 2025. This esteemed recognition highlights BIG's groundbreaking work in the reinsurance sector, particularly in the areas of Reinsurance Underwriting and AI Innovations.

Bits In Glass Wins Appian Innovation Award

BIG partnered with a top-10 global reinsurer to transform underwriting and claims operations by implementing intelligent automation and case management across geographies. The solution improved speed to resolution, enhanced data-driven decision-making, and positioned the reinsurer for enterprise-wide automation and growth.

"At BIG, we are relentlessly exploring the art of the possible by leveraging AI and our technology partner's capabilities to unlock new opportunities and drive transformative results," said [Celia Wanderley](#), Chief Innovation Officer at Bits In Glass. "We're honored to be recognized by Appian and proud of what we've built together with our clients."

Partners are recognized for their outstanding achievements in developing and delivering innovative Appian-based solutions that meet market needs. The award was accepted by Celia Wanderley and [Tim Hale](#), Vice-President, Global Insurance at Bits In Glass, during the Appian Partner Summit at Appian World on Monday, April 28th.
