

# TRANSFORMING.LEGAL Launches Free Access to GOLT.ai

*Semantic AI-Powered Search Now Available for one of the World's Leading Legaltech Platforms*

SINGAPORE, SINGAPORE, July 1, 2025 /EINPresswire.com/ -- In a bold move to eliminate barriers to legal innovation, [TRANSFORMING.LEGAL](#), the global transformation boutique, announces a powerful new version of [GOLT.ai](#), one of the world's leading legal and compliance technology platforms.

Effective immediately, the platform is now free for all users, offering full access to its complete database along with a beta version of its new AI-powered semantic search functionality.

Dr. Vera Roedel, Co-Founder

"It's a jungle out there," says Dr. Vera Roedel, Co-Founder and Chief Partnership Officer at TRANSFORMING.LEGAL. "Sole practitioners, legal and compliance professionals in-house and law firms are struggling to find the right tech tools for their respective demands. GOLT.ai aims to provide answers without time-consuming product demos or endless internet searches."

With nearly 2,500 tools across 40+ countries, GOLT.ai is a comprehensive, continuously updated resource for legal operation professionals, in-house teams, law firms, academia, investors and technology vendors. The platform now provides:

- Natural Language & Semantic AI Search (Beta)
- Expert-Curated Legal Taxonomy
- Jurisdictional and Interoperability Filters
- Multi-Language Search Input

- Product Comparison and Ratings
- User-Friendly Interface

“This is about democratizing access to critical information,” adds Matt Galvin, Co-Founder and Director of US Operations. “We enable buyers to make smarter decisions and vendors to present their solutions effectively.”

GOLT.ai is more than a database—it’s an intelligent platform with verified product insights, powered by TRANSFORMING.LEGAL’s L.I.O.N. Lab software validation center. It promotes transparency, interoperability, and user trust, bringing buyers, vendors, and experts together in one space.

“We offer a simple solution to a very complex challenge. We’re not perfect — yet,” concludes Tom Pfennig, Founder & CEO of TRANSFORMING.LEGAL. “But our mission is clear: Supporting legal and compliance professionals around the world to use technology with confidence.”
