on April 29, 2025, welcoming nearly 200 guests to mark a vibrant new chapter for the acclaimed brand. Led by CEO Ricardo Oliveira, the restaurant is overseen by Proprietor and Operating Partner Elthon Figueiredo, who began his journey with Adega in 2021 as Assistant General Manager in Orlando and now leads the Deerfield Beach team, generating over 60 local jobs as part of this multi-million dollar investment in the community. The event drew loyal patrons, community leaders, and local officials including

the city's mayor, Todd Drosky who warmly welcomed Adega Gaucha to the neighborhood. This milestone marks a significant expansion of Adega Gaucha's presence, bringing the bold flavors of Southern Brazil to South Florida's Gold Coast.

Conveniently located at 240 S Federal Hwy, just minutes from Boca Raton and Hillsboro Beach, the Deerfield Beach venue spans nearly 11,000 square feet and joins Adega Gaucha's successful Orlando and Kissimmee locations. Designed by Mirian Oliveira of Vivid Decor and built by Paulo Novaes of FN Contractors, specializing in hospitality renovations, the restaurant blends coastal elegance with Brazilian heritage. Rich wood textures, ambient lighting, and gaucho-inspired art, complemented by a striking white marble bar with gold-style accents and an outstanding white marble gourmet table, create a refined yet inviting atmosphere. A glass-enclosed churrasco grill allows guests to witness gaucho chefs preparing and carving premium meats over an open flame, delivering a captivating, immersive dining experience. A central glass wine cellar and two private dining rooms accommodating 20 and 90 guests respectively are equipped with advanced AV systems, including a 180-inch 4K projection screen, ideal for both intimate celebrations and corporate events.

Adega Gaucha Deerfield Beach features a custom wine list curated by our in-house sommelier,

complemented by a full-service bar offering signature cocktails and premium spirits. Guests can savor an upscale churrasco-style dining experience, featuring fire-roasted meats like picanha, filet mignon, and lamb chops, paired with creative sides such as Corn Brûlée, caramelized bananas, and offerings from the expansive Gourmet Table. Beyond the churrasco, the menu offers fresh seafood selections, while the stunning white marble Gourmet Table presents a vibrant selection of seasonal dishes, artisanal salads, charcuterie, and thoughtfully crafted items tailored for guests seeking lighter, non-meat-focused flavors. An à la carte menu further enhances the experience, allowing guests to personalize their dining journey with a curated selection of premium dishes and specialties.

Never tried rodízio dining? You're in for a treat. Imagine a nonstop meat feast. Experience the artistry of rodízio-style dining, where skilled gaucho chefs serve a continuous rotation of fire-roasted meats tableside. Guests use a dual-sided coaster: green for more, red to pause, ensuring service moves at their pace. This fixed-price, all-you-can-eat format combines refined hospitality with indulgent variety.
