

# Surplus.net Releases Square D Surplus Equipment Resale Data and Expands Support for Brand-Specific Liquidation

*Surplus.net Releases Square D Surplus Equipment Resale Data and Expands Support for Brand-Specific Liquidation*

SACRAMENTO, CA, UNITED STATES, May 4, 2025 /EINPresswire.com/ -- [Surplus Network](#) has released updated resale figures for [Square D](#) equipment, highlighting the ongoing demand for surplus power distribution and control systems across multiple industries. The data is now available at <https://www.surplus.net/top-brands>, along with a list of top-selling models and insights into brand-specific resale trends.

As companies decommission infrastructure, modernize facilities, or restructure inventory, Square D products are frequently identified as surplus. Surplus.net supports the resale of this equipment through a structured listing process, market-driven valuation, and access to a network of qualified buyers.

Square D Resale Summary:

- Over 3,372 Square D items sold through the platform
- \$7.34 million USD in total resale value recovered for sellers
- Continued demand for switchgear, MCCs, drives, panelboards, and transformers

Top-moving Square D models include:

- MHP36800MT
- MODEL 5 / MODEL 6 MCC
- DS632, DSII-840, and DSII-608 breakers
- PAF and LAF series power distribution units
- ATV212HU785N4 variable frequency drive

Surplus Network's resale process includes:

1. Inventory Submission – Secure upload of surplus equipment details
2. AI-Powered Valuation – Generation of fair market value and tax write-off estimates
3. Sales Strategy Selection – Choice between one-time bulk purchase or continuous liquidation

#### 4. Transaction Support – Surplus.net manages buyer coordination, compliance, and logistics

“Square D equipment maintains market interest across various operational environments,” said Kevin, VP, Business Development at Surplus Network. “Our process provides a straightforward method for organizations to recover value from these surplus assets.”

The full breakdown of Square D resale activity and model-specific data can be found at:
