Nurenberg Paris Gives Back to Local Nonprofit Walls of Love

Walls of Love is a Parma-based nonprofit organization that creates visible "walls" of essential items in public spaces—typically organized supplies attached to fences, walls, or dedicated displays—allowing those in need to access necessities anonymously and with dignity. These carefully arranged collections feature toiletries, non-perishable food items, clothing, winter gear, and other basic supplies that are free and accessible 24/7 to anyone facing hardship.

**“** Their direct approach to helping vulnerable community members with immediate necessities aligns perfectly with our commitment to serving the people of Northeast Ohio.”

*Jonathan Mester, Managing Partner*

"We're excited to support Walls of Love through our NP4CLE Charity of the Month program," said Jonathan Mester, managing partner at Nurenberg Paris. "Their direct approach to helping vulnerable community members with immediate necessities aligns perfectly with our

commitment to serving the people of Northeast Ohio."

The impact of Walls of Love is substantial in a region facing significant challenges. According to The Center for Community Solutions, 36.2% of Cleveland's population lives in poverty. 18.2% of

those living in poverty have household incomes less than 50% of the poverty rate. Approximately 23,000 people—around 10% of those living in poverty in Cuyahoga County—experience homelessness annually. Since its founding, Walls of Love has aided over 1,000,000 individuals facing poverty and homelessness with necessities and impacted more than 2,300 neighborhoods with high poverty rates.

The NP4CLE Charity of the Month Program is part of Nurenberg Paris's ongoing community involvement initiative. Each month, the law firm features a local charity on its social media platforms and makes donations based on audience engagement. This approach allows community members to support important causes simply by engaging with Nurenberg Paris online.
