

FREESTYLE DIGITAL MEDIA RELEASES SWEDISH LANGUAGE HORROR FEATURE 'FEED'

*Foreign Horror-Thriller Debuts on North American VOD
Platforms and DVD May 9, 2025*

LOS ANGELES, CA, UNITED STATES, May 9, 2025
/EINPresswire.com/ -- Freestyle Digital Media, the digital film distribution division of Byron Allen's Allen Media Group, has just released the Swedish language horror feature FEED, which is now available to rent/own on all North American digital HD internet, cable, and satellite platforms, as well as on DVD, starting May 9, 2025.

FEED is based on the true story of Sweden's first woman to be killed for witchcraft. When a murder turns into a myth and becomes a popular tourist attraction, influencers soon try to ride the wave of "ghost tourism" to market various tourist destinations for clients. The story begins when a young medical student joins her influencer boyfriend on one of his marketing jobs after being hired to help an old family business to thrive. But they soon find themselves stuck on a tiny island in a lake in which an ancient Swedish witch ("Märit") is said to live. The goal is to make potential tourists believe that old witch, Märit, lives in the lake around a commercial camping-site - but there's soon reason to believe that Märit is more than just a made-up ghost story.

Directed by Johannes Persson FEED was produced by Alexander Eriksson, Paolo Vacirca, and Joakim Lundell from a script written by Paolo Vacirca & Henry Stenberg. The FEED cast features Molly Nutley ('Elin'), Sofia Kappel ('Josefin'), and Annica Liljebäck ('Ragnhild'), Vincent Grahl ('Dimman'), Joel Lützwow ('Jens'), Emelina Rosenstielke ('Ava'), Amanda Lindh ('Kirsten'), Michael Odhag ('Ulf'), and Emma Suki ('Nikolina Kostov').

Freestyle Digital Media negotiated the deal to acquire FEED directly with TrustNordisk.

Freestyle Digital Media has just released the Swedish language horror feature FEED, now available to rent/own on all North American digital HD internet, cable, and satellite platforms, as well as on DVD, starting May 9, 2025
