

Movers.com Offers Expert Tips for Stress Free Moves This 2025 Peak Season

With the busy moving season officially underway in May, Movers.com shares essential planning tips to help Americans relocate smoothly and affordably.

NORTH BRUNSWICK, NJ, UNITED STATES, May 8, 2025 /

EINPresswire.com/ -- As the U.S. enters its annual peak moving season from May through September, [Movers.com](https://movers.com), a trusted online marketplace for comparing licensed and insured moving companies, is offering vital guidance to help individuals and families prepare for their upcoming moves.

Each year, 40 million Americans relocate, with most moves occurring during this seasonal window. Whether moving across town or across the country, the process can be overwhelming without proper planning.

“

With planning and the right tools, moving doesn't have to be stressful and we're here to help every step of the way”

Vidyadhar Garapati CEO

availability and pricing.

At Movers.com, we've also seen a noticeable rise in self service moves and small load requests, reflecting the growing demand for budget conscious relocation options.

Top Moving Tips from Movers.com for Summer 2025

Book Early

Movers fill up quickly between Memorial Day and Labor Day. Secure your spot 4-6 weeks in advance for better

[Compare Multiple Quotes](#)

Use trusted platforms like Movers.com to compare estimates from licensed and insured moving companies helping you avoid scams and inflated costs.

Understand Your Move Type

Whether it is local, long-distance, or self-service, Movers.com provides tailored tools and resources to estimate costs and timelines.

Avoid Peak Dates

Schedule your move mid-week or mid-month for more flexible timing and better pricing.

[Use Free Moving Tools](#)

Take advantage of interactive calculators, packing checklists, and expert planning guides, all available for free on Movers.com.

Declutter Before Packing

Do not pay to move items you no longer use. Donate, sell, or recycle to lighten the load.

Protect High-Value Items

Consider additional insurance for valuables and inquire about white glove services for fragile or speciality items.

Verify Licensing

Avoid rogue movers by checking credentials via the Federal Motor Carrier Safety Administration (FMCSA) or using pre-screened movers on Movers.com.

About Movers.com

Founded in 1994, Movers.com has helped over 6 million customers find trusted moving companies across the United States. The platform features verified mover profiles, customer reviews, cost calculators, moving guides, and a wide range of free tools to simplify every step of the relocation process.

As the 2025 moving season heats up, Movers.com remains committed to helping Americans move with clarity, confidence, and convenience.
