

# Tether RE, Real Estate Agent Safety Platform, Selected for 2025 NAR REACH Program

TWIN FALLS, ID, UNITED STATES, May 14, 2025

/EINPresswire.com/ -- Tether RE, a pioneering real

estate safety and productivity platform, is excited to announce its selection as one of only eight companies for the prestigious 2025 NAR REACH Program by the National Association of REALTORS®. This honor emphasizes Tether RE's transformative role in the real estate industry

“

Being chosen for the 2025 NAR REACH Program reflects our commitment to agent safety and productivity, and we're grateful for NAR's investment in this critical area.”

and underscores the National Association of REALTORS®' investment in advancing agent safety. Tether RE was also named the 2024 winner of both the NAR iOi Pitch Battle and the T3 Sixty Tech Summit Pitch Battle, further solidifying its relevance and growing momentum within the real estate industry.

The NAR REACH Program is a premier scale-up initiative designed to propel high-growth companies shaping the future of real estate. Tether RE's inclusion in this exclusive cohort validates its mission to empower real estate professionals with innovative tools that prioritize safety

and enhance efficiency from contact to close.

“In 2024, 600,000 REALTORS® met a client alone to show a property, and more than 300,000 reported feeling unsafe,” said Scott Martin, Co-Founder of Tether RE. “Tether RE goes beyond verifying a buyer's identity and background by connecting agents to 24/7 live monitoring, providing real-time protection when they're most vulnerable.”

Vanessa Martin, Co-Founder, added, “Being chosen for the 2025 NAR REACH Program reflects our commitment to agent safety and productivity, and we're grateful for NAR's investment in this critical area.”

Tether RE's platform, available at [www.TetherRE.com](https://www.TetherRE.com), equips agents with industry-leading features, including:

24/7 live monitoring for real-time support

Instant client verification and criminal background checks

Discreet SOS alerts with struggle detection

Automated showing timers

Automated mileage tracking and much more.

Through its partnership with NAR's REACH Program, Tether RE is positioned to accelerate innovation and expand its impact, ensuring agents have the tools to succeed in a dynamic industry.

"Industries evolve by innovating. The eight companies selected for the 2025 REACH program have the potential to drive meaningful change across real estate now and well into the future," said Ashley Stinton, managing partner, NAR REACH.
