

Time for AI-Powered Autonomous Finance Platforms -- Emagia and Adaptive SAG Partner to Revolutionize GBS Operations

Emagia AI-based Autonomous Finance Platform and ADAPTIVE's process optimization expertise open new frontiers for organizations to automate most O2C activities.

ŁÓDŹ, POLAND AND SANTA CLARA, CA, UNITED STATES, May 19, 2025 /EINPresswire.com/ -- Emagia, a leading provider of [Autonomous Finance](#) Platforms for [Order-to-Cash](#) operations, and ADAPTIVE Solutions & Advisory Group, a premier Global Business Services (GBS) consulting and implementation practice, are pleased to announce a strategic partnership aimed at transforming Order-to-Cash (O2C) processes for companies across Europe and beyond.

Emagia and Adaptive SAG announce partnership to transform Order-to-Cash operations with AI-powered Autonomous Finance Platforms

With Emagia's cutting-edge AI-powered Autonomous Finance Platform and ADAPTIVE's comprehensive expertise in [digital transformation](#) and process optimization, this joint initiative opens new frontiers for organizations to automate vast majority of their O2C activities, leading to significant reductions in operational costs, enhanced cash flow, and improved working capital management.

"We are excited to partner with ADAPTIVE SAG to bring our AI-driven Autonomous Finance solutions to European enterprises," said Veena Gundavelli, Founder and CEO of Emagia. "This partnership will empower companies to achieve world-class efficiency in their finance operations, leveraging digital labor to handle repetitive tasks and allowing human talent to focus on strategic activities."

"Collaborating with Emagia allows us to offer our clients state-of-the-art AI-powered solutions

that drive efficiency and effectiveness in finance operations," stated Krystian Bestry, CEO & President of the Board at ADAPTIVE Solutions & Advisory Group. "Together, we aim to redefine the O2C operations landscape in Europe, providing our clients with the tailored premier tools accelerating successful digital transformation."

The partnership will focus on delivering comprehensive solutions that integrate Emagia's AI capabilities with Adaptive SAG's consulting & process reengineering services. This includes automation opportunity assessments, deployment of AI assistants and digital labor across credit processing, invoicing, collections, cash application, and dispute management activities.

This strategic alliance is poised to set a new standard for O2C operations in Europe, offering companies a pathway to modernize their finance functions and achieve operational excellence through AI-powered solutions.

“

This will empower companies to achieve world-class efficiency in their finance operations, leveraging digital labor for repetitive tasks and allowing human talent to focus on strategic activities.”
