

Top Greener Celebrates Its USB-C Wall Outlet Series

Topgreener marks 2+ years of success with its USB-C outlet series, offering fast, reliable charging for modern homes, offices, and commercial spaces.

IRVINE, CA, UNITED STATES, May 22, 2025 /EINPresswire.com/ --

Topgreener, a trusted innovator in smart electrical solutions, celebrates over two years of market success with its comprehensive series of in-wall USB-C outlets, proven for quality and reliability. With USB-C powering over 80% of new electronic products, this collection offers a wide range of models tailored to modern homes, offices, and commercial spaces.

As USB-C continues to become the standard across most personal electronics—from smartphones and tablets to laptops and smart accessories—Topgreener's USB-C outlet series simplify charging with seamless compatibility and high-speed performance. Engineered to meet the needs of tech-driven lifestyles, the series eliminates bulky adapters and powers a connected future.

Topgreener's USB-C outlets come in a variety of power ratings and port configurations, including both 15A and 20A models with dual AC receptacles and combinations of USB Type-C and Type-A ports. The range includes models with 1C1A, 2C1A, 2C, and 2A1C port layouts, offering flexible solutions for single-device and multi-device environments alike.

Total USB output ranges from standard 5V/3.6A-5A, up to 65W, with Power Delivery (PD) versions

ALWAYS MAXIMIZE THE POWER

SINGLE-PORT CHARGING

USB-C PD 60W MAX

USB-A 12W MAX

TWO-PORT CHARGING

USB-C PD 60W MAX

USB-A 6W MAX

Topgreener's TU215PD60AC 15amp wall outlet features USB-C PD 60W light-speed charging and USB-A 12W high-speed charging (solo use), delivering a total of 65W output optimized for single or dual-port use.

providing constant 30W or 60W for rapid charging. This constant output design enables users to charge high-demand devices like smartphones, tablets, and laptops without loss of speed or power. Offices benefit from 65W outlets powering workstations, while hotels enhance guest experiences with multi-device charging.

Unlike traditional outlets, Topgreener's USB-C series combines sleek, modern aesthetics with industry-leading safety features, including tamper-resistant shutters and UL-certified performance, ensuring peace of mind for families and businesses alike.
