respected medical expert sourcing firm that merged with IMS in 2022, now fully integrated under the IMS brand to provide a seamless client experience.

With a nationwide network of more than 650 board-certified and board-eligible medical experts spanning 220+ clinical focus areas, IMS’s medical expert witness services deliver unmatched expertise to help legal teams overcome obstacles and strengthen their cases.

“As attorneys face increasingly complex medical case challenges, they need more than just data—they need trusted experts with practical clinical experience,” said

James Crane, JD, CEO of IMS Legal Strategies. “By fully integrating Juris Medicus into our expert witness service offerings, we have expanded our ability to provide credible medical expert analysis that aligns seamlessly with our broader litigation support expertise.”

IMS and Juris Medicus clients benefit from a full spectrum of expert-driven support for significant injury disputes.

- Medical Expert Sourcing: Access to a rigorously vetted, invitation-only panel of licensed medical professionals across a vast range of disciplines
- Life Care Plans & Rebuttals: Medical expert analysis for personal injury, catastrophic, and disability cases, including future care projections and vocational assessments
- Medical Billing and Coding Analysis: Current geographic-specific cost analysis and reporting, including affidavits to support damages calculations
- Radiology Reviews: Expert radiologists provide in-depth imaging assessments for medical litigation support

- Medical Examinations: Unbiased independent assessments to evaluate injury claims and medical conditions
- Dedicated Case Management: Experienced case managers who facilitate attorney/expert communication and protect key deadlines

IMS's medical experts bring decades of real-world experience from hospitals, academic institutions, and clinical practice, as well as familiarity with the litigation process. This ensures that attorneys receive specialized knowledge from seasoned professionals who are always focused on the quest for truth and can withstand the rigors of deposition and trial. Clients also have convenient access to integrated services for the full case lifecycle, including strategy consulting, jury research, medical demonstratives, and courtroom technology.

"Our commitment is to provide comprehensive, high-value support to attorneys, ensuring they have the best resources to handle consequential disputes," said Don Lee, IMS Senior Vice President of Innovation and Growth. "Our strategic growth and recent integrations of complementary firms such as Teklicon, Inc. and MacKenzie Life Care Planning help us respond to client expectations for streamlined services, beyond their valuable connections to top experts."
