At its core, ABBY'S LIST, A DOGUMENTARY is a buddy film. Abby was a dog, but she was also my best friend. And we were just taking a road trip together. I think everyone can relate to that.”

Filmmaker Mark Sutherland

feature unscripted narrative feature documentary ABBY'S LIST, A DOGUMENTARY, which will be available to rent/own on all North American digital HD internet, cable, and satellite platforms, as well as on DVD, starting May 23, 2025.

ABBY'S LIST is currently enjoying a limited theatrical run nationwide. While technically a documentary, this fun and thoughtful film feels like a cinematic feature. Part comedy, part drama, and family-friendly, this buddy film will leave audiences laughing and crying. Shot in twenty incredible

locations with over 5 million views of its road and promo videos.

ABBY'S LIST, A DOGUMENTARY is the story of 14-year-old Whippet Abby and her human, Mark, as they embark on an epic cross-country road trip. From captaining a yacht to riding It's a Small World, making friends with a dolphin and a deer, even peeing on the world's tallest trees, Abby does it all! By the way, whose list is this anyway... Abby's or Mark's? As the journey unfolds, we realize that all they really want is quality time together. And incredibly, the universe intervenes. Abby starts aging in reverse, and their three-week bucket list trip morphs into the three-year journey of their lives!

Written and directed by Mark Sutherland, ABBY'S LIST, A DOGUMENTARY was produced by Sutherland – with Don Lee, Bill Farmer, Jennifer Farmer, Mark Thorsell, and Jesse Lynn Madera serving as executive producers. Jennifer O'Kain served as consulting producer and Courtney DeSando Kaplan served as associate producer. The subjects profiled and interviewed include Abby Sutherland, the Whippet, Mark Sutherland, Jack Hanna, Bill Farmer (Voice of Goofy), Sophie Cole, Scott Simpson, Laura Maxwell Murnane, and Trooper the Three-Legged Deer.

“Making ABBY'S LIST, A DOGUMENTARY changed my whole life, and it changed Abby's life too,”

said filmmaker Mark Sutherland. At its core, ABBY'S LIST, A DOGUMENTARY is a buddy film. Abby was a dog, but she was also my best friend. And we were just taking a road trip together... having a little fun and figuring a few things out along the way. I think everyone can relate to that."

Freestyle Digital Media negotiated the deal to acquire ABBY'S LIST, A DOGUMENTARY with the filmmaker Mark Sutherland and producer Jennifer O'Kain.
