*The Business Research Company's  
Hazardous Goods Logistics Global Market  
Report 2025 – Market Size, Trends, And  
Forecast 2025-2034*

LONDON, GREATER LONDON, UNITED  
KINGDOM, May 23, 2025

/EINPresswire.com/ -- What is the  
current projection for the [hazardous  
goods logistics market size](#)?

The Business  
Research Company

The Business Research Company

The data shows significant growth in recent years. The hazardous goods logistics market size has increased from \$233.66 billion in 2024 to a projected \$252.44 billion in 2025, at a compound annual growth rate CAGR of 8.0%. This growth can be attributed to the growth of industrialization, increasing globalization, and a heightened awareness of the importance of safety and security in handling hazardous goods.

What are the future growth expectations for the hazardous goods logistics market?

The hazardous goods logistics market size is forecasted to continue its strong growth trajectory in the upcoming years. It is poised to reach \$337.09 billion by 2029 at a CAGR of 7.5%. This growth can be attributed to a combination of factors such as the rise of e-commerce, continued growth of the global economy, resilience in the supply chain, and an increased focus on environmental sustainability.

What is driving this growth and what trends are expected in the future of hazardous goods logistics market?

The forecast period is expected to witness major trends like the digitization and implementation of blockchain technology, hazardous materials packaging innovation, collaborative partnerships, multimodal transportation, and emergency response preparedness. Additionally, the burgeoning oil and gas industry is expected to significantly contribute to the growth of the hazardous goods logistics market.
