## About Jim McDonough:

From the battlefield to the boardroom, Jim McDonough has invested his life helping others lead with clarity, courage, and conviction. A retired U.S. Army Aviation Combat Forensics Officer and Master Aviator, Jim brings more than two decades of military leadership into his work as a successful business owner and trusted Phenomenal Business Coach.

After serving 22 years in the Army, including multiple combat deployments, Jim transitioned into entrepreneurship—building a thriving home service business from the ground up. He understands firsthand the stress and chaos many small business owners face, from sleepless nights to nonstop fires. That experience shaped his coaching philosophy: disciplined, forensic, and systems-driven.
