

Caton Technology APB+ Award - AI IP Broadcast Solutions

Press Release
/PRNewswire/

JAPAN, May 29, 2025

/EINPresswire.com/ -- Caton Technology AI IP Broadcast Solutions has won the APB+ Asia-Pacific Broadcasting Awards 2025 for IP Broadcast Solutions.

The award recognizes Caton's innovative IP-based broadcast solutions, which have revolutionized the industry by providing reliable and efficient IP-based broadcast infrastructure.

The APB+ Asia-Pacific Broadcasting Awards 2025 is a highly prestigious annual awards program that honors the best in broadcast technology and innovation across the Asia-Pacific region.

Caton Technology CEO Ray Huang said, "We are honored to receive this award, which is a recognition of our commitment to innovation and excellence in broadcast technology. Our IP-based broadcast solutions have made a significant impact on the industry, and we are excited to continue pushing the boundaries of what is possible in broadcast technology."

Caton Technology CEO Ray Huang
