

THE SHARPES MAKE THEIR DEBUT WITH ELECTRIC DISCO-POP SINGLE 'BTW' — OUT FRIDAY, MAY 30

The family band formerly known as The Sharpe Family Singers returns with a bold new sound and message: “We’re back and we’re better!”

NEW YORK, NY, UNITED STATES, May 30, 2025 /EINPresswire.com/ -- Viral sensations. The Sharpes are back with a brand new name and a bold new era. The sibling band — Samantha, Logan, and twins Connor and Aidan — formerly known as The Sharpe Family Singers, are dropping their high-energy debut single “BTW” this Friday, May 30, on all streaming platforms.

Produced by Pinnacle Artists Group, “BTW” is an irresistible blend of disco, pop, and attitude – a neon-drenched anthem of reinvention and confidence.

With a glittery synth line, funky bass, and the instantly iconic lyric “We’re back and we’re better — now what you gonna say??”, the song signals a fresh chapter for the group, who first gained fame through their viral harmonies and show-stopping family performances online and on America’s Got Talent.

“This song is a declaration,” the band shares. “We’ve grown up, we’ve found our voice, and we’re ready to show the world who The Sharpes really are. ‘BTW’ is just the beginning — and we’re bringing the party with us.”

Key Lyrics from “BTW”:

“We’re back and we’re better / Now what you gonna say??”
