CANTON, MA, UNITED STATES, June 6, 2025 /EINPresswire.com/ -- In classrooms, on street corners, and deep in the silence of the human heart, one question echoes more often than we acknowledge: "[Have you seen my daddy?](#)" This haunting plea, discovered on a classroom bulletin board by [Pastor John R. Pastor Peyton's book is both a deeply personal memoir and a spiritual response to this cry, offering not only his life story but also a message of restoration, responsibility, and redemption through God.

Have You Seen My Daddy? by Pastor John R. Peyton is a heartfelt, reflective narrative that explores the deeply personal and social dimensions of fatherhood. historical context: Pastor Peyton's great-grandfather was a slave from Gambia, West Africa, brought to America through Fort Monroe in Virginia. This personal connection to American slavery sets the stage for a narrative that weaves together family history, spiritual reflection, and an exploration of the role of fathers in the lives of their children.

At the heart of the story is a moment in a school classroom, where a bulletin board featuring children's artwork and writings prompts a flood of reflection. One child's innocent yet heart-wrenching question, "Have you seen my daddy?" becomes a central message, a question that resonates with the emotional and spiritual void experienced by many children growing up without paternal figures.

Who is your daddy? If Pastor John R. Peyton had been asked this question when he was a boy, he might have been ashamed to answer, having grown up in an abusive household with an alcoholic, womanizing father. However, now, as a faithful servant of God and pastor of a loving church, he can say that his true Father is his heavenly Father, God.

“

I never thought I could tell my mother, because I figure she wouldn't believe me. In those days, adults were always right, even though some were bald face liars.”
