"Our goal is to empower people to feel confident and in control of their self-care," said Dan McElwee, General Manager of FXSwede, the parent company of Tress Wellness. "Partnering with BJ's allows us to bring our most complete kit yet to families across the country—at an unbeatable price."

Dermatologically tested and made with natural ingredients, the Tress Wellness kit is safe for all skin types and ideal for body, facial, and bikini waxing. This exclusive bundle is the most comprehensive kit Tress Wellness has ever offered—convenient, travel-friendly, and budget-conscious.
