

Indie Fantasy Author Gene Herington Unleashes a Gripping New Sword & Sorcery Adventure with A Pawn in a Dire Game

Available Now in Print on Amazon | Ebook Preorder Live -- Launching September 5th

GOOCHLAND, VA, UNITED STATES, June 13, 2025 /EINPresswire.com/ -- Fantasy fans, sharpen your blades and steel your minds. Independent author Gene Herington is proud to announce the release of his latest novel, *A Pawn in a Dire Game* -- a bold and immersive entry into the sword & sorcery genre, now available in paperback on Amazon, with the ebook launching September 5th, 2025.

Set in a richly imagined world of political tension, scheming guilds, and lurking eldritch forces, *A Pawn in a Dire Game* follows the troubled return of Pencheval to the capital of his kingdom. Lauded as a hero for his role in a successful campaign, Pencheval is shocked to find himself punished by his guild for failing to secure payment from the liberated lands. He soon finds himself entangled in dangerous intrigues and a sinister, otherworldly entity whose motives and powers remain chillingly unclear.

At the core of Herington's story lies a timely and resonant theme: the peril of focusing only on the short term while greater, long-brewing forces move unseen in the background. Fans of fast-paced, character-driven fantasy will find plenty to enjoy in this dark yet thrilling narrative.
