Rad Web Hosting Celebrates 10 Years of Innovation, Growth, and Client Success

DALLAS, TX, UNITED STATES, June 17, 2025 /EINPresswire.com/ -- Rad Web Hosting, a leading provider of high-performance web hosting services, is proud to announce its 10-year anniversary. Since launching in 2015, Rad Web Hosting has become a trusted name in the hosting industry, delivering reliable infrastructure, personalized service, and global reach to thousands of clients around the world.

What began as a local startup in Dallas, TX has grown into an international operation with multiple data centers, including a recent expansion into Paris, France. Over the past decade, Rad Web Hosting has introduced cutting-edge hosting solutions such as NVMe-powered VPS, DDoS-protected infrastructure, and instant-deploy dedicated servers—all while maintaining its commitment to affordability and client-first support.

> We built Rad Web Hosting with a mission to offer a client-first approach to the web hosting industry. Reaching 10 years is a milestone that reflects the trust of our clients."
