Specializing in complete bathroom renovations, Wemhoff Tile and Remodeling offers end-to-end services that transform outdated bathrooms into modern, functional

spaces tailored to each homeowner's unique vision and lifestyle needs. From initial design consultation through final installation, the company's experienced team manages every aspect of the remodeling process, ensuring seamless project execution and exceptional results.

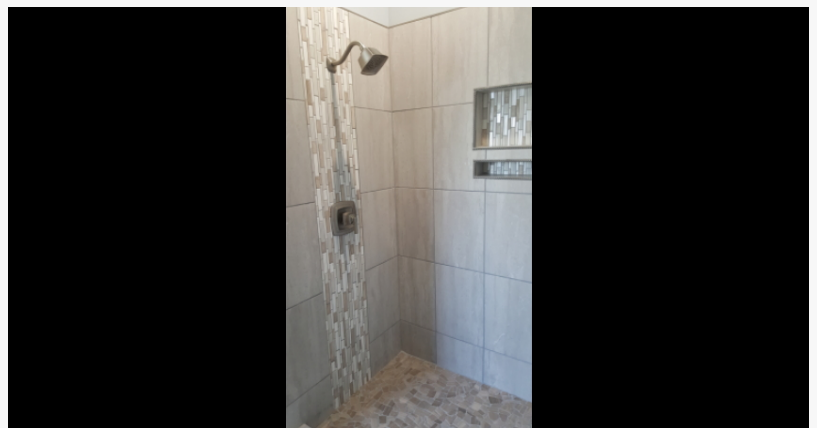

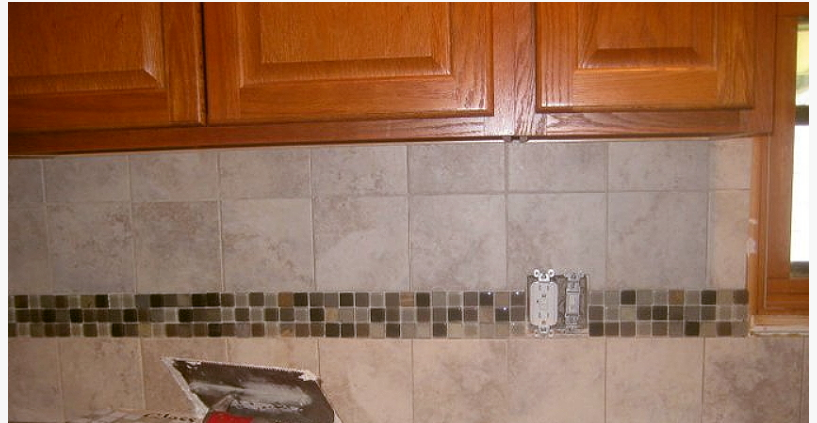

"We've received numerous inquiries from homeowners in Gretna, Blair, and other communities surrounding Omaha who were looking for the same quality bathroom remodeling and tile services we've been providing in the metro area," said Steve Wemhoff, owner of Wemhoff Tile

and Remodeling. "This expansion allows us to serve these growing communities with the same level of craftsmanship and personal attention that has built our reputation. Whether someone is in a new development in Gretna or a historic home in Blair, we bring the expertise needed to transform their space."

The company's tile services encompass both new installations and restoration work, addressing everything from minor repairs to complete tile replacement projects. Wemhoff Tile and Remodeling works with a wide variety of materials including ceramic, porcelain, natural stone, and specialty tiles, helping homeowners achieve their desired aesthetic while ensuring long-lasting durability and proper installation techniques.

Beyond bathroom remodeling, the company's tile expertise extends to other areas of the home, including [kitchens, entryways, and other living spaces](#) where quality tile work can enhance both beauty and functionality. Their repair services help homeowners address issues such as cracked tiles, loose grout, water damage, and general wear and tear, often saving clients the expense of complete replacement while restoring the original beauty of their tiled surfaces.

What sets Wemhoff Tile and Remodeling apart in the competitive Omaha market is their dedication to personalized service and transparent communication throughout every project. The team takes time to

understand each client's specific needs, budget considerations, and timeline requirements, providing detailed estimates and regular project updates to ensure homeowners feel informed and confident in their investment.

The expanded service area positions Wemhoff Tile and Remodeling to better serve the region's rapid residential growth, particularly in communities like Gretna, which has experienced significant development in recent years, and Blair, with its mix of established neighborhoods and new construction. The company now serves residential clients throughout Omaha and extending to Gretna, Blair, Elkhorn, Bennington, Valley, Waterloo, and other surrounding communities, bringing local knowledge and a reputation built on referrals and repeat customers to an even broader area.

For homeowners throughout the expanded service area considering a bathroom remodel or tile project, Wemhoff Tile and Remodeling offers free consultations to discuss project scope, material options, and design possibilities. The company is fully licensed and insured, providing peace of mind along with professional craftsmanship to clients from downtown Omaha to the growing communities of Gretna and Blair.
