

Eco Estate Jewelry Expands to New Lakeway Location with Massive Moving Sale

LAKEWAY, TX, UNITED STATES, June 25, 2025 /EINPresswire.com/ -- After a decade in its original Lakeway storefront, [Eco Estate Jewelry](#) is thrilled to announce its move to a new location in Lakeway that doubles the brand's square footage and allows for enhanced customer experiences. To mark the occasion, the company is hosting a moving sale featuring extraordinary discounts on estate jewelry—from \$20 sterling silver items to \$50,000 bridal pieces.

Eco Estate Showroom

This exciting new chapter follows steady growth for Eco Estate Jewelry, including the recent opening of a second store in Bee cave. The new space will also include a private buying area to better accommodate customers looking to sell or repurpose inherited jewelry pieces.

“Our new space is a reflection of how much we've grown, but we've never lost sight of the community that got us here,” said Alida. “We're proud to expand right here in Lakeway and invite everyone to celebrate with us during this exciting transition.”

A Sale That Celebrates 10 Years of Growth

The moving sale offers deep discounts on an extensive inventory accumulated over a decade in business. From engagement rings and fine gemstones to collectible vintage pieces and everyday silver jewelry, there's something for every budget—whether you're shopping for yourself or someone you love.

The sale opened to existing customers during Preview Days from Tuesday, June 17 to Thursday, June 19, before launching to the public on Friday, June 20.
