The Fiduciary Advisor Network

Andre Bass, Certified Financial Fiduciary®

The Fiduciary Advisor Network stands as a beacon of trust and reliability for financial advisors.

With a focus on integrity, professionalism, and client-centric service, the network empowers advisors to achieve their full potential while upholding the highest standards of fiduciary responsibility.

"Today, I am thrilled to welcome the newest member of The Fiduciary Advisor Network. Their talent, passion, and dedication will undoubtedly be a tremendous asset to our goal of providing holistic fiduciary guidance. Together, we will not only elevate the standard of fiduciary advice but also create meaningful, positive impacts in communities around the nation. This partnership marks a significant step forward in our mission to provide unparalleled service for those that we serve." - Rick McClanahan, Founder and CEO of The Fiduciary Advisor Network

Central to its mission is the recent addition of our new advisor who has obtained the prestigious Certified Financial Fiduciary® (CF2) designation. This designation underscores the advisor's unwavering commitment to ethical conduct and fiduciary duty, aligning perfectly with The Fiduciary Advisor Network's core values. In addition to successfully becoming a CF2 and a FAN member, Andre has also earned the opportunity to teach on behalf of the Foundation for Fiduciary Education (FFE). FFE is one of the many tools that will forge a prolific presence within the Lawrenceville community through its financial education courses that are offered in person, and online.

"Joining the Fiduciary Advisor Network is important to me because I have always put my client's best interest before my own. But, I believe that becoming a Certified Financial Fiduciary demonstrates a higher commitment level. It shows my clients that I am bound by a code of ethics. That I took the additional step to prove that I will only ever act to best serve them." - Andre Bass, Certified Financial Fiduciary®

About The Fiduciary Advisor Network (FAN): The Fiduciary Advisor Network connects individuals and businesses with experienced and trustworthy financial advisors who prioritize their clients' best interests. The FAN serves as a beacon of trust in an industry often muddled with conflicting interests, empowering advisors, and clients to make well-informed investment decisions. The FAN offers Certified Financial Fiduciaries access to extensive resources, continued education, and a supportive professional community.
