

Women's Business Club Announces 2025 Top 10 Voices Winners

Celebrating Women Who Are Using Their Voice to Drive Change, Break Barriers and Inspire the World

NEW YORK, NY, UNITED STATES, July 17, 2025 /EINPresswire.com/ -- The Women's Business Club is thrilled to reveal the winners of the 2025 Top 10 Voices awards — a global celebration of women who are using their voice and platform to make an extraordinary impact.

Launched by Women's Business Club, Top 10 Voices is an annual campaign celebrating women who speak up powerfully and use their voice to change the world - whether on stages, in boardrooms, on social media, or within their communities. It's about real stories. Bold messages. And a shared mission to amplify female leadership across industries and borders.

Each winner is selected not only for what they've achieved but for how they've used their personal story to inspire others and lead from a place of authenticity, courage, and contribution.

Angela De Souza, Founder of Women's Business Club says, "Women's voices are more than sound — they are movement, legacy, and power. The Top 10 Voices honours those who dare to speak truth, break silence, and use their stories to uplift others. These women remind us that when one rises, we all rise."

These stories span continents, industries, and personal journeys — yet all share one thing in common: the courage to speak up, stand tall, and create meaningful change in their communities and beyond.
