

# MPM Enterprises, LLC Announces Inspiring AUDIO STEM Book for Kids: 'Environmental Eddie Let's Talk Series Air Pollution'

*MPM Enterprises, LLC is proud to announce the upcoming Fall 2025 release of its first AUDIO STEM Book, "Welcome to Eddie's World of Learning and Education!"*

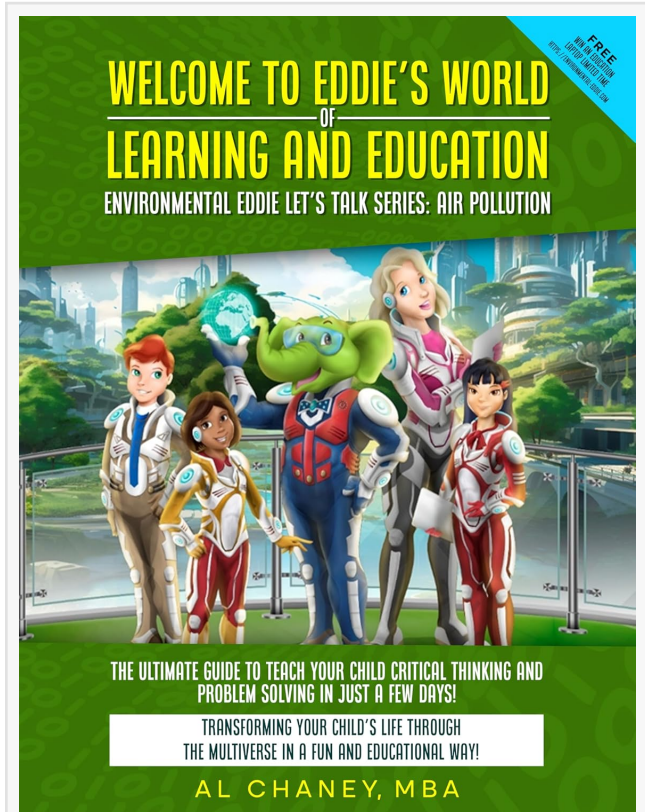

NEW YORK, NY, UNITED STATES, July 22, 2025 /EINPresswire.com/ -- MPM Enterprises, LLC is proud to announce the upcoming Fall 2025 release of its first AUDIO STEM Book,

"Welcome to Eddie's World of Learning and Education – Environmental Eddie Let's Talk Series: Air Pollution." This engaging, educational book is now available in print and eBook formats and can be ordered through [Amazon](https://www.amazon.com).

Created by author Al Chaney, MBA, this vibrant and imaginative book introduces Environmental Eddie, a 10-year-old hero who is determined to fight air pollution after hearing a news report about rising pollution levels in his city. Eddie embarks on a scientific adventure, mentored by Dr. Anna von Smart, and guided by knowledge from a mystical Scroll, as he joins an environmental academy to become a problem-solving environmental protector.

This immersive book incorporates:

- Science, Technology, Engineering and Mathematics (STEM)
- Fantasy, Science Fiction, and Multiverse Elements
- Critical Thinking and Problem-Solving Skills
- NGSS and Common Core Standards Integration
- Interactive features: puzzles, coloring pages, workbook samples, donation templates, afterschool program starter guides, and even a grant proposal sample.

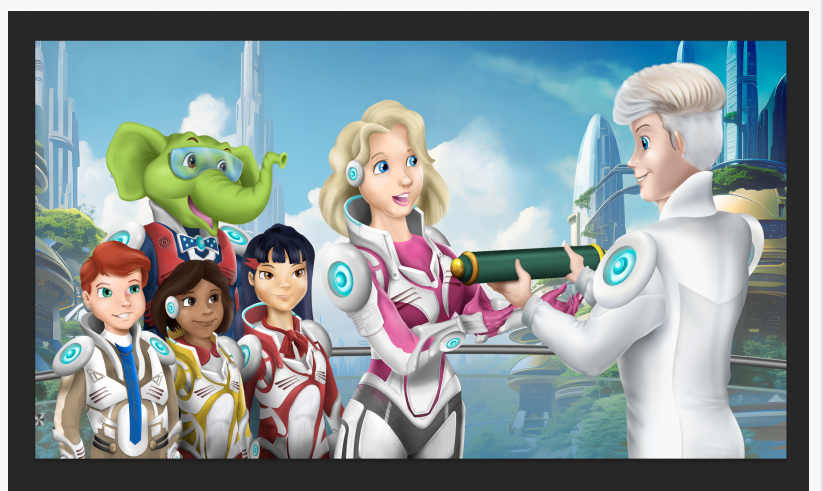

Welcome to Eddie's World of Learning and Education!

"Environmental Eddie assists teachers and parents in teaching children how to reduce air pollution through the use of critical thinking... Al's book will inspire your soul!"

— James Malinchak, ABC's Secret Millionaire Star, National Speaker, Bestselling Author

"Environmental Eddie assists teachers, parents, and caregivers in teaching children how to solve air pollution through the use of STEM/STEAM supported critical thinking skills."

— Mary Lou Nayler, PhD., Sacramento State University, Career/Tech Ed. Assistant Professor (Retired) and national Presidential STEM Taskforce

Environmental Eddie says "Remember to Protect-it for Future Generations!"

“

Environmental Eddie assists teachers, parents, and caregivers in teaching children how to solve air pollution through the use of STEM/STEAM supported critical thinking skills.”

*Mary Lou Nayler*

“A valuable resource for developing empathy and environmental awareness through age-appropriate science learning.”

— Dr. Mousumi De, University of Redlands

“This book teaches transferable life skills in a fun and engaging way.”

— Virginia Wiggins, M.S.E.E., Georgia Tech, Defense Consultant

With its captivating story and educational depth, Environmental Eddie encourages kids to care for the Earth

and equips them with the knowledge to make a difference.

About the Author: Al Chaney, MBA, is a retired Integrated Waste Management Specialist with the California Environmental Protection Agency. He brings decades of environmental expertise, having helped divert thousands of tons of waste from landfills and creating greener campuses across California.
