

Physician-Owned Medical Billing Company Expands Nationwide RCM Services

Physician-owned USA MedWorks expands nationwide, offering personalized RCM services as a trusted alternative to corporate medical billing firms.

JACKSONVILLE, FL, UNITED STATES, July 22, 2025 /EINPresswire.com/ -- USA MedWorks, a physician-owned medical billing and revenue cycle management (RCM) company, has announced its expansion to serve healthcare providers in all 50 states. The company offers a personalized alternative to the large, corporate-run billing services that often lack clinical insight and responsiveness.

Founded and operated by U.S. physicians and billing professionals, USA MedWorks is built on a simple promise: better billing outcomes through deeper clinical understanding and true partnership with providers.

USA MedWorks Billing

"We're not just billing experts—we're physicians who understand the day-to-day realities of private practice," said Dr. [Name], Co-Founder of USA MedWorks. "We've seen how corporate billing firms operate, and we knew there was a better way. Our model is built to support independent providers, not volume-based systems."

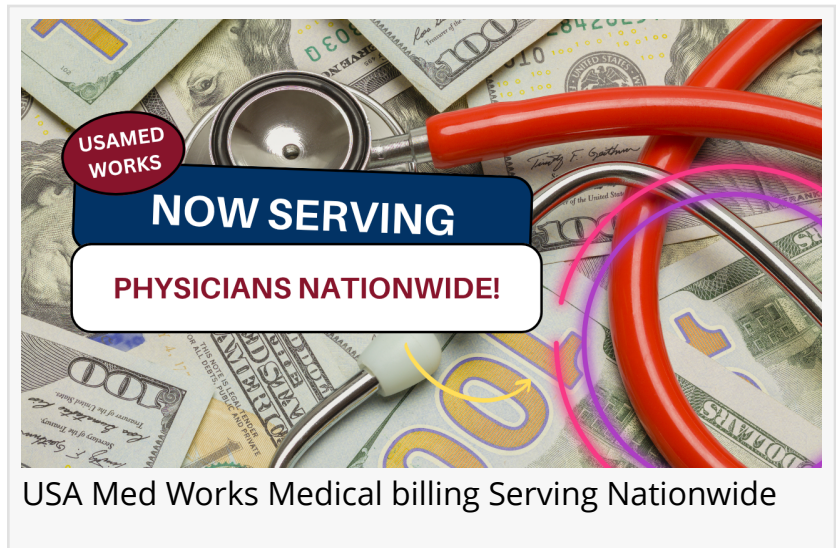

“

We built USA MedWorks to give providers a billing partner who truly understands clinical and operational challenges”

Dr. Sohail Ahmad, Co-Founder, USA MedWorks

Focused on Private Practices and Specialty Clinics
USA MedWorks serves a wide range of healthcare providers, including primary care, physical therapy, behavioral health, and specialty clinics. Services include:

End-to-End Medical Billing
Revenue Cycle Management (RCM)
Credentialing and Contracting
Denial Management
Patient Billing and Support
Compliance and Real-Time Reporting

The graphic features a background of US dollar bills and a red stethoscope. A red circular badge in the top left corner contains the text "USAMED WORKS". A dark blue rectangular banner in the center reads "NOW SERVING" in white. Below this, a white rectangular box with a black border contains the text "PHYSICIANS NATIONWIDE!" in red. At the bottom of the graphic, the text "USA Med Works Medical billing Serving Nationwide" is displayed in black.

USA Med Works Medical billing Serving Nationwide

With dedicated account managers, transparent reporting, and a 100% U.S.-based team, the company delivers both performance and peace of mind.

Now Serving All 50 States

As part of its nationwide expansion, USA MedWorks is now working with practices in Texas, Florida, New York, Illinois, California, and beyond. The company is particularly focused on helping small and mid-sized practices stay independent and profitable in today's evolving healthcare environment.

"Our growth is a direct result of word-of-mouth from providers who felt unheard by their previous billing firms," said Dr. [Name]. "We're proud to bring that same level of service and integrity to practices across the country."

About USA MedWorks

USA MedWorks is a physician-owned medical billing and revenue cycle management company serving healthcare practices nationwide. With a focus on accuracy, compliance, and provider support, the firm helps independent practices collect more, faster, and with less stress.
