

Cellairis Announces Partnership with TD SYNEX

*Mobility Solution Provider Addresses
Distraction-Free, Tech-Savvy Classrooms*

ATLANTA, GA, UNITED STATES, July 30, 2025 /EINPresswire.com/ -- [Cellairis](#), a mobile device accessories and solutions provider with more than 25 years of experience, announced an expanded partnership with [TD SYNEX](#), a leading global distributor and solutions aggregator for the IT ecosystem to continue serving the needs of the education market.

With the recent introduction of its [CyberSystem](#), which includes the Cyber Pouch, Cellairis has further expanded into the edtech space to help address the growing issue of mobile distractions in classrooms. The Cyber Pouch is a signal-disabling, student-friendly phone pouch that prevents incoming and outgoing communication, reducing disruptions while allowing devices to remain safely within reach in case of emergencies.

“

Cellairis is honored to expand its partnership with TD SYNEX to distribute the CyberSystem through their extensive reseller network, a simple way to solve the distracted student problem.”

*Taki Skouras, Co-Founder and
CEO of Cellairis*

“Cellairis is honored to expand its partnership with TD SYNEX to distribute the CyberSystem through their extensive reseller network, a simple way to solve the distracted student problem,” said Taki Skouras, Co-Founder and CEO of Cellairis. “Mobile device distractions have become a pressing issue in classrooms nationwide by

impacting focus, academic performance, and student mental health. Working with a trusted partner like TD SYNEX will help us provide our system to quickly and positively impact this nationwide problem.”

This partnership offers a more extensive network of resellers and customers access to Cellairis’ full suite of mobile device solutions, including device accessories, repair services, and their newly

launched Cyber Pouch and CyberSystem, a revolutionary solution designed to support distraction-free learning environments in schools nationwide.

"TD SYNEX is committed to uniting IT solutions that deliver business outcomes today and unlock growth for the future," said Scott Young, SVP of Strategic Procurement at TD Synnex. "With Cellairis added to our vast portfolio of vendor partners, we're able to enrich the breadth and depth of our offerings so customers can do great things with technology."□

Through TD SYNEX, resellers and education-focused IT providers can now offer the Cellairis CyberSystem, including the Cyber Pouch and Cyber Stand, to K-12 and higher education institutions seeking simple, effective solutions to foster distraction-free learning environments. Additionally, Cellairis' trusted mobile accessories and repair services are now available to enterprise customers looking to extend the lifespan and functionality of their device fleets.

To explore Cellairis' product lineup available via TD SYNEX, visit <https://www.cellairis.com> or learn more about the CyberSystem at [MyCyberSystem.com](https://www.mycybersystem.com).
