Ten-Acre Ranch Estate Just 12 Minutes from Downtown Aspen

“Moonshot Ranch is one of the most pristine equestrian properties we’ve had the privilege to bring to market in Aspen, one of the most desirable areas in the United States,” said Chad Roffers, CEO and Co-Founder of Concierge Auctions. “Its unbeatable proximity to the center of Aspen, striking mountain view, and unmatched equestrian infrastructure make it an extraordinary opportunity for buyers on a global scale who value privacy, scale, and access to world-class recreation. We look forward to bringing it to auction and delivering a successful, time-certain sale.”

“Aspen is one of the world’s most desirable destinations, and Moonshot Ranch captures the very essence of why people choose to buy and live here,” Shane added. “It’s nearly impossible in Aspen to find a property that offers this much space, privacy, and authenticity, all within minutes of downtown. It’s a perfect home for a buyer who values Rocky Mountain ranch life at the most elevated scale.”

Surrounded by over 200 acres of common irrigated land, with breathtaking views of the Elk Mountain Range, Moonshot Ranch—AKA [910 White Star Drive](#)—is equally suited to peaceful retreat or grand-scale entertaining. The 9,273-square-foot residence features eight bedrooms and 10 bathrooms crafted with a seamless indoor-outdoor living design that captures the sweeping landscape in every direction.

Offering authentic ranch character and world-class amenities, at the heart of the property lies a spacious great room with soaring ceilings, a gourmet kitchen, and formal dining space for fourteen. A luxurious primary suite includes a private deck and spa-like bathroom, while multiple guest suites and living areas ensure flexibility for family and visitors alike. The design blends rustic elegance with modern comfort, delivering an experience that is both refined and timeless.

Equestrian amenities abound: a 2,500-square-foot eight-stall barn with tack room and wash area, fenced pastures, and a professional riding arena accommodate all riding disciplines. The surrounding irrigated meadows and direct access to open fields offer endless opportunities for trail riding, training, and exploration. A three-car garage and ample storage space round out the estate’s functional offerings.

“Moonshot Ranch is not the kind of property you see come to market every day,” said Chapman Ducote, seller of the estate. “It’s a place that immediately grounds you in nature while providing the luxury and design you’d expect in Aspen, one of the most profound mountain destinations in the world. It’s a transformative setting and truly a special place.”

Ducote is a member of one of Aspen’s original founding families, whose legacy helped shape the town into the cultural and recreational destination it is today. That personal history adds depth to the property’s story and makes the offering more than just a home—it’s a continuation of Aspen’s earliest roots.

Moonshot Ranch is located just 12 minutes from the heart of Aspen, one of the world’s most celebrated alpine communities. Known for its legendary skiing, vibrant cultural scene, and unparalleled natural beauty, Aspen offers year-round appeal. Residents enjoy access to the Aspen Music Festival, the Aspen Institute’s thought-leadership events, the world-class Aspen Art Museum, and a thriving culinary scene. From hiking and biking to fly fishing and helicopter tours, the surrounding Elk Mountains offer limitless outdoor recreation in every season.
