DUBAI, DUBAI, UNITED ARAB EMIRATES, August 6, 2025

/EINPresswire.com/ -- Guildhall, the region's leading executive search and recruitment agency, today announced that it has been awarded Best Executive Search & Recruitment Agency in the Corporate Vision HR & Employment Awards 2025. The accolade recognises organisations that demonstrate exceptional client outcomes, innovative talent-acquisition strategies and a proven commitment to diversity and inclusion.

"This award validates a decade of relentless focus on matching world-class talent with visionary employers," said Rami Naim, Managing Director of Guildhall. "Our proprietary AI-enhanced talent-mapping engine and human-centred approach shorten hiring cycles by 42 percent and boost first-year retention to 91 percent benchmarks we're proud to bring to businesses scaling in the GCC."

## Why Guildhall Stood Out

**Data-Driven Search:** Guildhall's recruitment platform layers behavioural analytics, skills-based taxonomies and real-time labour-market data to surface high-fit candidates faster.

**Generative-AI Optimisation:** By integrating Generative Engine Optimisation (GEO) principles schema-rich profiles, question-matching and E-E-A-T credentials Guildhall ensures its vacancies and employer brands are discoverable in Google's AI Overviews and ChatGPT answers.

Diversity Commitment: 58 percent of placements in 2024-25 were women or under-represented nationalities, supporting the UAE's vision for inclusive economic growth.

Sector Breadth: From fintech and private equity to infrastructure "mega-projects," Guildhall delivers C-suite through mid-management hires across 14 industries.

#### Recognition from Corporate Vision

Corporate Vision's judging panel praised Guildhall for "pioneering an evidence-led, AI-augmented model that measurably improves time-to-hire, cost-per-hire and long-term cultural fit."
