BOCA RATON , FL, UNITED STATES, August 7, 2025 /EINPresswire.com/ -- Rachel Blumberg, President and CEO of Toby & Leon Cooperman [Sinai Residences](#) in Boca Raton, has been reappointed to the Board of Trustees of LeadingAge Southeast. Her reappointment, announced at the 2025 LeadingAge Southeast Convention in Orlando (July 20–24), extends her term through 2028 and marks her second consecutive term with the organization, the region's most respected association representing senior living providers across Florida, Alabama, Louisiana, and Mississippi.

Blumberg has served on the Board since 2022, playing a role in LeadingAge's strategic expansion from a Florida-based organization into a powerful four-state alliance. A visionary leader in the field of aging services, in 2021 she founded the first-ever Women's Leadership Network within LeadingAge. Today, the network is one of the leading national cohorts of female executives in senior living and a model for empowering women and fostering inclusive leadership across the industry.

In addition to her board role, Blumberg is an active member of the LeadingAge Southeast Political Action Committee (PAC), advocating in Tallahassee and collaborating with the national office in Washington, D.C. to shape public policy and strengthen senior care legislation.

Blumberg was also featured as a guest speaker at the convention, joining Angela Marino-Ortiz, Vice President of Clinical Services at Sinai Residences, and Emergency Medical Responder (EMR)
