As AI continues to revolutionize and evolve, The Global AI Show 2025 serves as the ultimate convergence point for thought leaders and disruptors. This event serves as a strategic hub for AI policymakers, investors, startups, and enterprises. This event also has Global AI Show Week a multi-day, country-wide celebration of artificial intelligence organised between 3rd-12th December, bringing together global researchers, founders, investors, and policymakers for a series of high-impact events - panels, showcases, roundtables, and mixers - all focused on AI.

Grab the opportunity to be part of this transformative journey.

About VAP Group:

A leading AI, Blockchain, and Gaming consulting giant driving AI and Web3 solutions over the past 12 years under the flagship events that are globally renowned under the brand of Global AI Show, Global Games Show, and Global Blockchain Show.
