

# CryptoAutos Expands to North America: Bringing Crypto Payments to Auto Dealers

*Crypto-to-car marketplace launches U.S. operations, enabling buyers to purchase vehicles with crypto while dealers receive fast settlement in local currency.*

MIAMI, FL, UNITED STATES, August 21, 2025 /EINPresswire.com/ --

CryptoAutos, the crypto-to-car marketplace and RWA platform, has launched operations in North America, opening onboarding for verified U.S. and Canadian dealerships. The platform enables customers to [buy a](#)

“We’re bringing proven crypto-to-fiat infrastructure to the world’s largest auto market,” said Waqas Ali Nizam, Co-Founder & Co-CEO.

Dealers get access to crypto buyers without touching crypto—we handle the complexity, they get clean fiat settlement.

How it works:

- Buyer selects a verified vehicle and completes KYC
- Payment processed in crypto; CryptoAutos converts and settles to dealer in fiat
- Dealer closes as usual—no wallets, no chargebacks, no FX headaches

Why dealers join:

- Access high-intent crypto buyers without workflow changes
- Faster settlement on high-ticket transactions with reduced fraud risk

- Dedicated onboarding and support throughout the process

North America rollout:

- Dealer onboarding now open across the U.S. and Canada
- Initial focus on Southeast U.S. market with expansion planned
- Marketplace and integration partners being prioritized for streamlined operations

Recent momentum:

ICE (Ice Open Network) now accepted alongside BTC, ETH and other major cryptocurrencies  
\$20M Dubai luxury rental fleet supports the company's broader RWA strategy

Dealers and marketplaces can apply at [cryptoautos.com](https://cryptoautos.com). Buyers can browse inventory and pay with crypto today.

#### About CryptoAutos
